Thematic Workshop:
'Funding Opportunities for Studying Inequality in Health'

28-30 October 2024, ALDEMAR KNOSSOS ROYAL RESORT, Crete

The goal of this workshop is to give scholars opportunities to brainstorm about funding opportunities tailored for the COST-Action GREATLEAP. It will be a first opportunity to explore potential grants, create application timelines, and collaborate on ongoing proposal initiatives.

Monday, 28-10-2024: Presenting Research Ideas
Conference centre: Foyer room labelled COST

During this meeting four scholars will present their research idea/proposal. Each will introduce their idea in a 15-minute presentation, after which all other participants have time to ask questions and make suggestions. In the afternoon, there are no scheduled meetings, but you are welcome to attend the AISoLA Conference, continue discussing proposals, or do something else.

Time	Topic & Presenters
9:00-9:45	Unequal lives in Oporto (Portugal). How can longevity be explained by space, public health policies and social constraints, 1840-1950? *Paulo Teodoro de Matos, Isabel Tiago de Oliveira & Diogo Paiva (ISCTE-IUL)*
9:45-10:30	The demographic and spatial-temporal characteristics of tuberculosis in insular and mainland populations *Vasilis Gavalas (University of the Aegean)*
10:30-11:00	Coffee Break
11:00-11:45	Use of AI for processing legacy documents to extract relevant knowledge *Stefano Ferilli (University of Bari)*
11:45-12:30	*Digital Therapeutics for Mental Health: Leveraging AI and CBT to Enhance Treatment Accessibility* *João Rocha Gomes (University of Porto)*

Tuesday, 29-10-2024: Digital Humanities Track AISoLA & Writing MSCDN Proposal
Conference centre: Room 3 (morning) & Foyer room labelled COST (afternoon)

In the morning participants are expected to attend the Digital Humanities Track of the AISoLA Conference. In the afternoon there is a hands-on writing session, but only for the participants involved in the ToPP-HEALTH MSCDN Proposal prepared by GREATLEAP. For the other participants there are no scheduled meetings, but they are welcome to attend the AISoLA Conference or do something else.

Time	Topic & Presenters
9:00-10:30	**Digital Humanities Track** 1. First results of GREATLEAP: A COST-Action network for studying historical inequalities in health *Tim Riswick (Radboud University)* 2. Visualising death in the city of Porto, 1860-1870. First steps and challenge *Paulo Teodoro de Matos & Diogo Paiva (ISCTE-IUL)* 3. Leveraging AI in Academia *João Rocha Gomes (University of Porto)* 4. Discussion

10:30-11:00	Coffee Break
11:00-12:30	**Digital Humanities Track** 5. Cultural Heritage data and a tool for image processing and knowledge extraction from digitized documents *Stefano Ferilli (University of Bari)* 6. Automating Historical Record Transcription: A Low-Code/No-Code Framework for Domain Experts *Marco Krumrey, Daniel Sami Mitwalli, Sebastian Teumert (University of Limerick)* 7. LC/NC as a new IT paradigm for handling and interoperability of historical data *Tiziana Margaria (University of Limerick)* 8. Discussion
12:30-14:00	Lunch Break
14:00-17:00	**Writing MSCDN Proposal** *This part of the workshop is only for the persons involved in the ToPP-HEALTH MSCDN Proposal*

Wednesday, 30-10-2024: Concluding meeting
Conference centre: Foyer room labelled COST

On this last day we have a final short meeting to reflect on the previous days, and discuss in what ways GREATLEAP should support the grant applications discussed. In addition, we can discuss in general how we should organize workshops on funding opportunities. All participants are welcome, but for GREATLEAP WG-leaders and co-leaders this meeting is mandatory. Lastly, if needed, there is time to continue writing the ToPP-HEALTH MSCDN Proposal.

Time	Topic
9:00-10:00	Reflection on funding opportunities and future steps
10:00-12:00	*Optional if needed: Continue Writing ToPP-HEALTH MSCDN Proposal*
